January 31, 2010 – Semi-Annual Statement.¹ File Form 450 or 460 for the period July 1 through December 31. [Note: Since January 31 falls on Sunday, the report is due February 1.]

The following reports may be required, depending on a committee's activity in connection with an election:

Late Contribution/Late Independent Expenditure Reports. File Form 496 or 497 within 24 hours if, during the 16 days prior to an election, contributions totaling \$1,000 or more are made to a candidate being voted on in the election or to a committee primarily formed to support or oppose a candidate or ballot measure being voted on in the election, or if independent expenditures totaling \$1,000 or more are made to support or oppose a ballot measure being voted on in the election.

Supplemental Independent Expenditure Reports. File Form 465 if independent expenditures totaling \$1,000 or more are made in a calendar year to support or oppose a candidate or measure being voted on in an election. The form is filed at the same time, covering the same periods, and in the places where the candidate or committee being supported or opposed is required to file.

Supplemental Pre-Election Reports. File Form 495 if contributions totaling \$10,000 or more are made in connection with an election. The form is due by the deadline for the second pre-election statement for that election and is filed as an attachment to the Form 450 or 460. [Note: Supplemental pre-election reports are required to be filed by recipient committees only; major donor and independent expenditure committees are not required to file this report.]

¹ A major donor or independent expenditure committee that files a semi-annual statement by July 31 covering the first six months of the year and makes no other contributions or independent expenditures during the second six months of the year is not required to file this semi-annual statement.
